**PETITIONING THE COURT**

**To issue a summons.**

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number      Nature of Noncompliance

- 1      **Special Condition # 29:** You must actively participate and successfully complete an approved state-certified sex offender treatment program. You must follow all lifestyle restrictions and treatment requirements of the program. You must participate in special testing in the form of polygraph, in order to measure compliance with the treatment program requirements. You must allow reciprocal release of information between the supervising officer and the treatment provider. You must pay for treatment and testing according to your ability.

**Supporting Evidence:** Mr. Rosser disclosed, while exploring the internet and watching YouTube videos of pianists, he came across a photo of a Japanese female in a swimsuit. He clicked on the picture which lead to him looking at other photos. He admits to masturbating

to the photos. He advised he accessed the Internet and YouTube several times over the course of a couple of days and he found himself viewing photos of "Japanese girls who were younger than 18, young Russian girls doing gymnastics, that sort of thing." The offender's actions are outside of the realm of his treatment modality and requirements of his treatment program.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the defendant to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
